COVID-19 Business Update

Mr. Furnace provides services that are essential to everyday life, and has been deemed an essential business. We are open and taking calls 24 hours a day, 7 days a week, and will continue to be here for you, when you need us.

We have made changes in our work practices to ensure the continued safety of our customers, our team members and the communities we serve. We will continue to monitor the situation and make additional changes as needed to ensure the health & safety of everyone.

We will continue to Respond to All Essential & safety related calls – however, prior to entering the residence our team members will ask customers questions relating to their travel & COVID-19 exposure to minimize our risk.

Essential Work may include (but not limited to):

- No heat / Furnace breakdown
- Indoor Air Quality Concerns – HRV's
- No hot water – Water Heaters
- Plumbing leaks
- Carbon Monoxide warning/Smell of natural gas
- Filter deliveries (ask us about options)
